

30th September 2016

Dear Parents/carers,

As you may be aware a new Code of Practice was put in place in 2014 with new arrangements for supporting children and young people with Special Educational Needs (SEN) and Disabilities.

There was a variety of consultation activities carried out by St. Bede's at the time explaining the changes and how these would affect what happens in school.

As part of the ongoing review of the delivery of SEND in St. Bede's, I will be in touch later in the Autumn term to invite you to a brief meeting to discuss the provision your child is currently receiving and the impact of this. In preparation for this meeting, please could I ask that you visit our website and have a look at our [SEN Information Report](http://www.stbedesacademy.org.uk/wp-content/uploads/2015/06/SENOffer.pdf) (<http://www.stbedesacademy.org.uk/wp-content/uploads/2015/06/SENOffer.pdf>).

Please do not hesitate to contact me if you wish to discuss this in the meantime.

Kind Regards

Marie Best
