Autumn

The Macmillan Coffee morning was a huge success and we raised more than £270 for Macmillan Cancer Care. A huge thank you for your help. The school boundary wall will need further work. After structural engineers examined it was felt that a further 16 metres of the wall will need to be replaced. We aim to have the work completed by Christmas. Thank you again for your co-operation. The safety of everyone is our paramount concern. The children have got a really busy and productive term ahead. There are numerous school trips planned and we have lots of visitors in school to enrich your child's curriculum.

Please pop into school if you have any queries' regarding your children and concerns and we will do our very best to help you.

We will be collecting non-perishable food for the local food bank

This vital service provides food for families that are experiencing difficulties due to unemployment and benefit difficulties. We are collecting non perishable food stuffs to create hampers that can be sent to nominated families in our local area.

Donations are being collected now in readiness for our harvest festival.

Thank you
