If, for any reason you are unable to attend, your child's teacher will be happy to rearrange an appointment on an alternative day. We look forward to welcoming you into school next week.

Dear Parents

Parents' evenings give you an opportunity to ask questions and share information about your child and their learning. You can strengthen the partnership with your child's teacher. This helps the teacher to help your child.

We expect that all parents or guardians will attend this important appointment or attend on another occasion that is mutually convenient to both the teacher and parent.

Parents' evenings are important because they give you an opportunity to discuss what your child is doing at school and how they are getting on. You can also cover any issues you may want to talk about with your child's teacher. Going to parents' evenings can help you to become better involved in your child's learning. It helps you to give your child good, practical support and to make choices. When schools and parents work together, children do better.

Sometimes parents can find it difficult to attend parents' evenings for a number of reasons. St Bede's recognise this and are working with parents to improve the arrangements for parents' evenings so that everyone gets the best out of them. As a result of this we are holding parents evening over two evenings.

October 17th and October 18th 3.30 till 6pm

We very much look forward to seeing you there.

Yours faithfully

Mrs B Rizzi-Allan
