

**St Bede's Catholic Academy      Cornerstones      Yearly Overview      2018/19**

	Autumn 1		Autumn 2		Spring 1		Spring 2		Summer 1		Summer 2	
L. F. S	Year 1	Why do you love me so much? Learning about ourselves and relationships with others.	How does that building stay up? Learning about building and structures.		Where does snow go? Learning about the snow and the winter season.		How many colours in a rainbow? Learning about colours in the man-made and natural world.		Are eggs alive? Learning about growing and living things.		How many pebbles on the beach? Which creatures live by the sea? Explore the seashore.	
	Year 2	Why do leaves go crispy? What's inside a conker? Explore this topic all about Autumn.	Is it shiny? Does it sparkle? Look at materials and their properties.		Can we explore it? Can you find me? Looking at nature and the world around them.		Did dragons exist? Who use to work and live in castles? Explore a fantastical world of dinosaurs and castles.		What is a shadow? Do you like the dark? Explore this project about light and shadow.		How high can I jump? How fast can I run? Explore sports, movement and physical challenge.	
U. F. S	Do you want to be friends? Do you want to be friends? Would you like to come and explore with me?		Why do squirrels hid nuts? Explore the seasonal changes in the natural world around Autumn and Winter time.		Are we there yet? Where in the world would you like to go? How will you get there? Let's explore!		Will you read me a story? Explore this magical project all about fairy tales, goodies and baddies!		Why do ladybirds have spots? Why do spiders spin webs? Explore minibeasts and their habitats.		Who lives in rock pools? Explore the seashore and the plants and animals that live there.	
Year 1	Splendid Skies (History/Geography) Imagine floating high above the land and the sea on a bed of clouds, silently sweeping by on a billowing breeze.				Moon Zoom! (D.T) CRASH! What's that in the playground? Let's go outside and take a look! Stand back everyone!		Dinosaur Planet (History) Stop, crash, RRRRAH! Watch out everyone, the dinosaurs are on the prowl!		Enchanted Woodland (Science) Let's go down to the woods today. Explore plants, build dens and listen to stories.		Memory Box (History) Can you remember being small? Being a baby and learning to crawl?	
Year 2	Muck, mess and mixtures (Art and Design) Let's get messy! Muck and mess is good. In fact, it's mega marvellous! Dive in and get your hands and feet all sticky and covered in paint.				Towers, Tunnels and Turrets (Design and Technology) See the castle ahead! Get ready to invade its might walls!		Wriggle and Crawl (Science) Grab your coat and pooter- we're going about on a minibeast hunt!		Land Ahoy (Geography) Yo-ho-ho and a bottle of rum! Arrrr... me harties- it's a sailor's life for me!		Street Detectives (History) This way or that way? Where should we go? Let's learn about our community!	
Year 3	Predator! (science) It's time to take a walk on the wild side! Find out who's coming to visit... is it a bug-munching lizard or an eagle-eyed bird of prey?		Scrumdiddlyumptious! (Design and Technology) Tuck in and enjoy a yummy journey of discovery, tasting tantalising treats!		Gods and Mortals (History) From nothingness came chaos, from chaos came water and air, from water and air came life!		Tremors (Geography) Tremors. Overwhelming and mighty. Mother Nature's awesome energies hiss and roar deep within the Earth.		Tribal Tales (History) Take a moment to step outside and stand quietly and still. Imagine this place 5000 years ago.			
Year 4	Blue Abyss (Art and Design) Grab your wetsuit! Go deep into an underwater world of incredible coral and mysterious creatures!		Traders and Raiders (History) Big and strong, the Saxons wave their battle axes and swords as they begin to invade British shores!				Mystic mountain Sierra (Geography) Mighty mountain peak above the morning mist, imposing and eternal, rocky outcrops at their feet!		Road Trip to USA (Geography) Buckle up! Sunglasses on- we're on a road trip across the good old U S of A!		Bottoms, Burps and Bile (Science) Open wide, let's take a look inside. We're on a voyage of discovery to investigate the busy world inside your body.	
Year 5	Alchemy Island (Music) It's time to suspend your disbelief and open your mind. We're going on a mystical journey to Alchemy Island.				Stargazers (Science) Journey through space, the final frontier... Navigate beyond the Sun, the magnificent, star at the centre of our Solar System!		Peasants, Prices and Pestilence (History) Flee your fields and pull up the draw bridge: the dreaded 'Great Pestilence' is here!		Pharaohs (History) Let's travel back 5000 years to the dusty realms of ancient Egypt.		Beast Creators (Science) A bug, a creepy crawly, a beast! He'll tickle your skin then go for a sting!	
Year 6	Frozen Kingdoms (Geography) Welcome to the planets coldest lands... vast wilds, hostile territories, incredibly beautiful yet often deadly.		Gallery Rebels (Art and Design) Colours collide, melting together on a canvas: an impression of light, a lobster perched on a telephone... Find out about the eccentric minds of the gallery rebels!		Darwin's Delights (Science) Ship Ahoy! We're off on an exciting expedition with Charles Darwin and his crew on HMS Beagle! Can you trace his route across the vast ocean?		Blood Heart (Science) Crimson, scarlet, cherry... blood flows through our bodies in all its vibrant shades of red. Let's explore our circulation system.				Revolution (History) Are you listening boy? What is 27 plus 45? Come on- faster now, we haven't got all day!
